Re: NOTICE OF POST-SEIZURE OF VESSEL Case 2023-40571 Reg# WN824CE

A boat with registration number WN824CE, left blocking a bike lane, was seized by the City of Portland on 11/29/2023 from the address 9110 NE 33RD Drive. The City of Portland Parking Enforcement Division seized the boat for being illegally parked in the public right-of-way in violation of Portland City Code 16.20.170, and in accordance with ORS 830.918, because the boat was considered an “Abandoned vessel” as defined in ORS 830.908 (1) and had been left without authorization on public or private land, the waters of this state, or any other water.

The enforcement agency proposes to demolish the vessel by reason of being an abandoned vessel, a derelict vessel, or both. **To prevent disposal of the seized vessel, you must reclaim the vessel and pay all accrued costs no later than February 4, 2024.** If you fail to reclaim the vessel before the date specified in this notice, the title of the vessel and all property within the vessel will vest with the City of Portland. The vessel will be destroyed, and you will remain liable for unpaid costs. The total cost of salvage, towing, storage, and demo is estimated to be approximately \$3,000, but the final cost may be higher or lower than this estimate.
